ADD AN EYE-CATCHING QUALITY TO YOUR DESK – OUR NEW ON-TREND COLOURS

B2 MY STAPLER

STYLISH AND FUNCTIONAL

With their stylish colours, NOVUS B 2 staplers are pleasing to the eye at the office. But simply looking good is not enough: with a stapling capacity of up to 25 sheets, they breeze through day-to-day tasks in the (home) office. The easy-to-operate top-loading mechanism makes inserting staples quick and easy. The reversible anvil provides flexibility, enabling closed, permanent stapling as well as open – and therefore non-permanent – stapling. Another option is for paper to be pinned, e.g. to a corkboard. The right staples for the job, type 24/6 DIN SUPER, are included. So you can get stapling straight way!

YOU'VE GOT YOUR OWN STYLE and want to add a touch of your favourite colour. Why compromise with your office accessories? Our ColorID staplers and perforators enable you to do just that. These enchanting dashes of colour highlight one thing in particular: your sense of good taste!

B220 MY PERFORATOR

RELIABLE OFFICE ACCESSORIES WITH STYLE

The NOVUS B 220 perforators are trusted companions in your daily working life: they can precisely and reliably perforate up to 20 sheets of paper. Other impressive features: the securely engaging paper guide with easily legible format markings, the non-slip base that can be partially opened for emptying and easily reclosed and the ability to accurately perforate a variety of formats. Good looks and top functionality in perfect harmony – what more could you want?

You will be able to enjoy our reliable office products for many years to come, thanks to established Novus quality.
