# WE MAKE WORK EASIER

Whether it's handicrafts or DIY - there are no limits to the implementation of creative ideas. But when it comes to making things, it's not just the end result that counts but how you achieve it. Those who put plenty of time and enthusiasm into working with paper should be able to enjoy it from start to finish.

To ensure that every project is a success, the brands Novus and Dahle offer reliable and practical tools with well thought-out features for any DIY project.

**Our mission: We make work easier!**

# ROTARY TRIMMERS DAHLE 507, 508

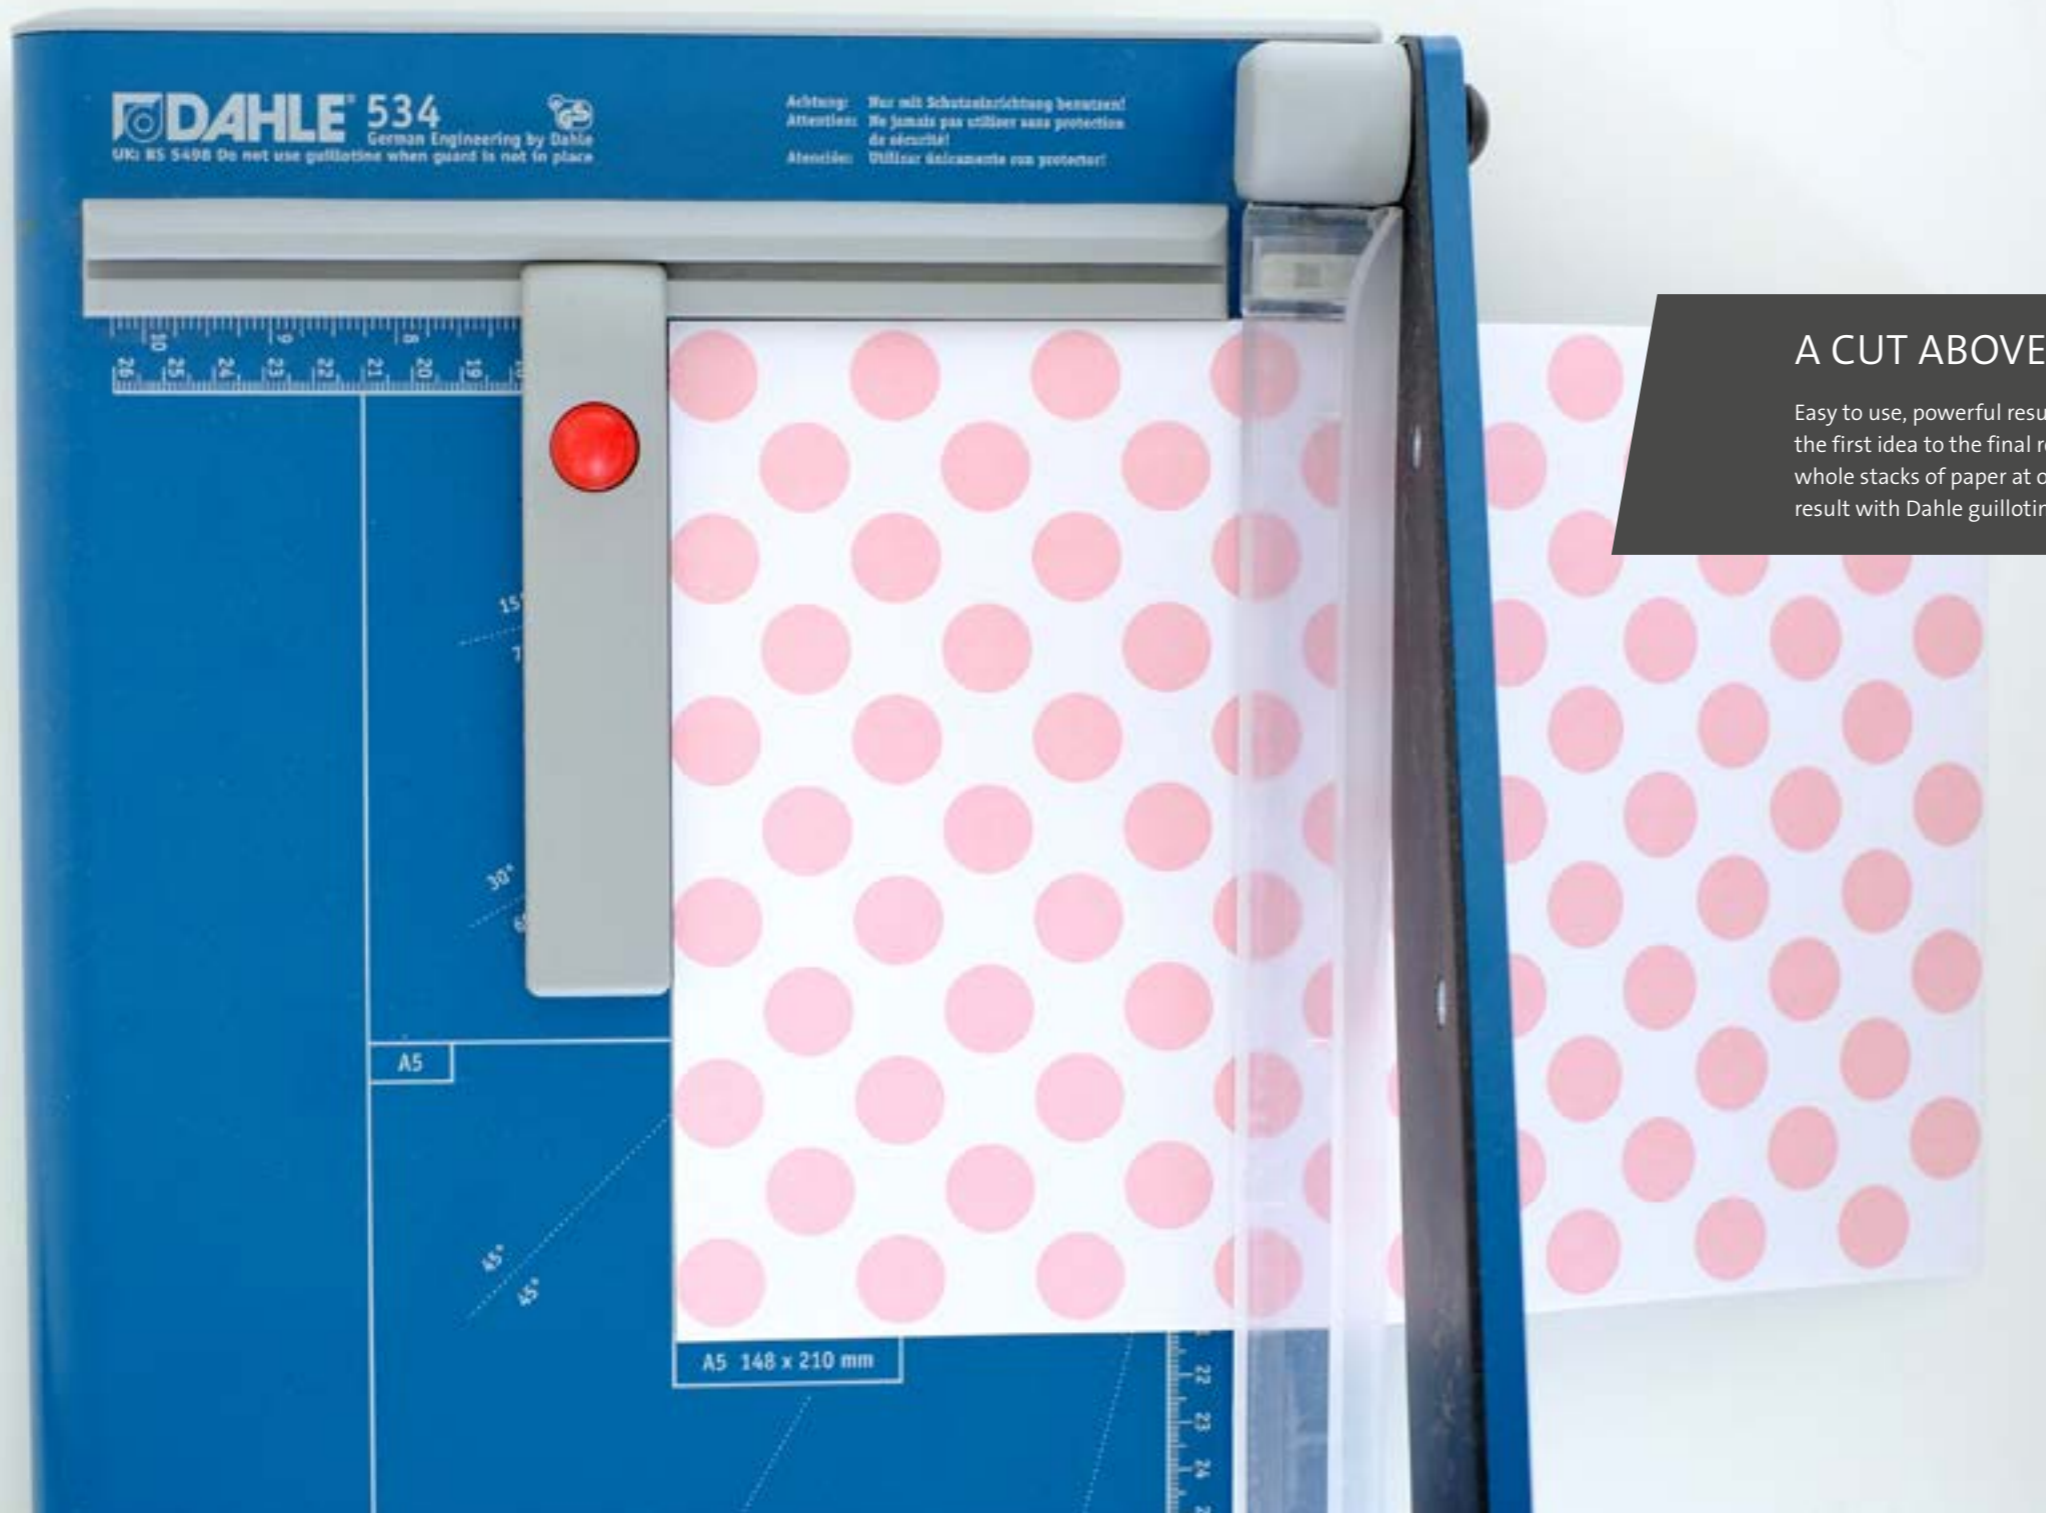

## 1 CUT, 1.000 POSSIBILITIES

Precision and reliability for anyone who invests a lot of time and love in paper crafts. From children's birthday parties to weddings, from decorative collages to paper crafts - there are no limits to creativity with Dahle rotary trimmers. With the help of the optionally available creative set, paper can be easily and effortlessly refined by folding, perforating or deckle cutting.

- Stable metal base with non-slip rubber feet to keep the rotary trimmer securely in place
- Helpful format lines on the base with mm division along the cutting edge make aligning the material to be cut even easier
- Self-sharpening steel rotary blade enclosed in safety cutting head, ground
- Lower steel blade
- Automatic clamping on the cutting line to quickly fix in place the material to be cut
- Creative sets for both models with three cutting heads for perforation, folds and deckle-edge cut are optionally available

Article number	00507-24040	00508-24050
Format (DIN)	A4	A3
Cutting capacity (mm)	0,8	0,6
Cutting capacity (A4 80 g/qm)	8	6
Suitable accessories	DAHLE 980	DAHLE 981

# GUILLOTINES DAHLE 533, 534

## A CUT ABOVE

Easy to use, powerful results: no problem with the EASY range from Dahle. Crafting often involves many steps from the first idea to the final result. With our EASY guillotine range, most of them can be done effortlessly. You can cut whole stacks of paper at once, measure lengths or angles and cut papers without slipping. Cut by cut to the perfect result with Dahle guillotines.

- Sturdy solid metal table with rounded edges and non-slip rubber feet for firm standing
- Helpful format lines on the base with mm division along the cutting edge make aligning the material to be cut even easier
- Ground upper blade made of hardened Solingen steel bolted to the solid steel blade holder
- Lower blade of ground and hardened Solingen steel
- Sturdy, solid-steel blade holder for optimum guidance of the screw-mounted upper blade
- Two scale bars with mm scale for an exact 90° cut

Product name	533	534
Article number	00533-21335	00534-21343
Cutting length (mm)	340	460
DIN	A4	A3
Cutting capacity (mm)	1,5	1,5
