

# Document shredders DAHLE ShredMATIC® 90

- Intelligent document shredder for desk-side use
- Oil- and maintenance-free operation
- Extra-small particles allow for less frequent emptying
- Integrated photoelectric sensor for automatic start-stop function enables fast availability and safe use
- Automatic paper reverse function clears excess paper
- Convenient feeding and reversing function for manual control
- Automatic safety shut-off when the waste container is full or the door is open
- Optical waste level indicator
- Autofeed function shreds up to 90 sheets (80 gsm) in a single load
- Overload indicator
- Manual feed of up to 10 sheets possible
- Overheating protection with optical indicator
- Pull-out waste container
- Convenient casters for greater mobility
- Two inspection flaps for easy cleaning of automatic paper feeder

\* Maximum number of DIN A4 sheets that can be shredded in a single load under the following conditions: new cutting rollers (oiled if necessary), cold motor, power supply with rated voltage and rated frequency (230V/50Hz; 120V/60Hz). Sheet capacity may be lower and operating noise higher under different conditions. Sheet capacity may also vary due to sheet characteristics and paper feed.
