

NOVUS Attenzia neo +

- High-quality free-standing luminaire for optimal lighting of up to two desk workstations in block arrangement
- Optimal illumination and low direct glare, includes efficient multi-sensor that detects the presence and light intensity
- Material mix of aluminium (luminaire head / column) and steel (base)
- The light is infinitely dimmable.
- High luminaire luminous flux of 12,421 lm for perfect lighting conditions
- Extremely energy efficient at luminaire luminaire efficiency with 146 lm/W
- Good colour recognition thanks to high colour rendering index of 83 (>80)
- Light colour: Neutral white (colour temperature 4000 K)
- Easy automatic operation thanks to presence and light detection via the multisensor
- Very low direct glare due to a UGR value of <9
- Weighted energy consumption 87 kWh/1000 h
- In high-quality aluminium
- Kettle plug with a cable length of 2 m
- This product contains a light source rated energy efficiency class D (range A to G)

Colours

silver

Version

4,000 K (neutral white)

Art.No.

740+7009+000

EAN Code

4009729078723

Luminaire luminous flux

12,421 lm

UGR value

<9

Colour rendering index

83

Cable length

approx. 2 m

Energy consumption

87 kWh / 1,000 h

Mounting option

Base
