Hand tacker J-50 case set

Sturdy belt hook for clipping to work clothes so device is always easily to hand.

Integrated staple slider for quick loading of staples. All parts form a single unit with no loose parts to lose.

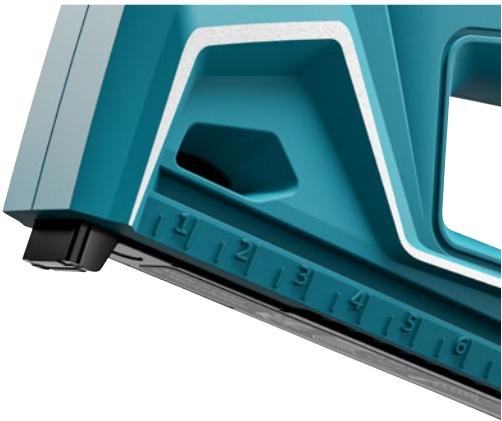

Guarantees the right impact power for every job, no matter whether you're fastening into hard or soft wood.

The distance holder allows you to drive in a row of staples parallel to the edge.

Space-saving handle lock for safe storage when not in use

The tacker's narrow and long nozzle also permits precision stapling at hard-to-reach places.
