

Heavy-duty stapler NOVUS B 56 re+new

- Sustainable heavy-duty stapler with very high stapling capacity up to 200 sheets
- Anti-blocking system (ABS) for convenient, trouble-free stapling
- Full metal device with plastic casing made of sustainable recycled materials
- Variable throat depth (up to 75 mm)
- Express fault-clearance for blank stapling shot when required
- Press button loading system with double, spring-mounted staple guide
- Movable anvil for quickly changing between parallel and bypass stapling
- Weight: approx. 1670 g
- Bypass stapling leaves staple ends side by side, allowing you to use the same staple type to staple stacks of paper with different thicknesses
